

# Disco brides have more fun!

Looking for fun and unique way to celebrate your hen's night? **GoDisco!**

Forget sleazy strip joints, expensive day spas and fancy high teas; if you love the nightlife; if you love to boogie...disco is where it's at baby!

**Cathy's Crazy Institute of GoDisco** is now hosting hen's nights packed with music and dance from the 70s and 80s that are sure to take your guests to funky town.

Disco diva Cathy Stevens, who hosts GoDisco classes and events across Melbourne, says the funky disco moves from the 60s, 70s and 80s are the perfect way to celebrate a hen's night.

"There's no snooty dance instructor killing your disco buzz; no nearly-nude instructors shocking your Nanna; GoDisco is just a fun way to get your super freak on and dance the night away!" said Cathy.

So many brides-to-be are looking for a fun way to bring their friends, family and workmates together with plenty of laughs - and no cringe-factor!

Cathy's Crazy Institute of GoDisco can cater for between 8-25 guests, customise the music to highlight your favourite artists and even help find a venue for your event.
